24 Hour Teach-In For Truth in Education!

Today we are confronted in America by an attack on truth in education. It is an attempt by politically motivated individuals, government offices, and politicians to halt the comprehensive understanding of American history by eradicating the voices and stories of traditionally marginalized communities. Wednesday May 17th, 6pm EST at Mt. Zion Greater AME, we're conducting a 24-hour teach-in to address the censorship of history across the nation!

Join our amazing lineup of teachers, historians, and special guests as we take a stand for truth in America. Learn more and RSVP at truthineducation.org
